ABOUT ME

Computer Science and Engineering graduate from Sylhet Engineering College with a CGPA of 3.80/4.00 and two years of professional experience in software engineering. Strong foundation in algorithms, data structures, full-stack web development, and software engineering, with experience developing production-oriented applications and working with modern web technologies. Co-author of two IEEE-published research papers in blockchain-based systems. Experienced in competitive programming, including qualification for the ICPC Asia Dhaka Regional Contest. Interested in software engineering and applied artificial intelligence, particularly in building reliable and scalable software systems.

EDUCATION AND TRAINING

01/01/2019 – 05/04/2024 Sylhet, Bangladesh

BACHELOR OF SCIENCE (ENGINEERING) IN COMPUTER SCIENCE & ENGINEERING Sylhet Engineering College (affiliated with SUST)

Website https://sec.ac.bd/ | **Field of study** Computer Science and Engineering | **Final grade** 3.80/4.00 (With Distinction)

01/08/2016 – 16/07/2018 Sylhet, Bangladesh

HIGHER SECONDARY SCHOOL CERTIFICATE (HSC) Westpoint College

Field of study science

01/01/2014 – 11/05/2016 Sylhet, Bangladesh

SECONDARY SCHOOL CERTIFICATE (SSC) Baramchal High School and College

Field of study Science

PUBLICATIONS

2024

S-DrivingRecords: Blockchain Based Enhancing Trust and Transparency in Driving Records Using Hyperledger Fabric

Authors: Shovon Das Chowdhury; Tanjil Ahmed; Ruhul Amin; Rahat Ahmed Chowdhury; Shah MD Tanjim; Md Lysuzzaman | **Journal Name**: 2024 International Conference (iCACCESS) | **Publisher**: IEEE

2024

SafetyNet: A Decentralized Police Complaint Management System for Bangladesh Using Blockchain Technology

Authors: Shah MD Tanjim; Rahat Ahmed Chowdhury; Tanjil Ahmed; Ruhul Amin; Shovon Das Chowdhury; Md Lysuzzaman | **Journal Name**: 2024 International Conferene (iCACCESS) | **Publisher**: IEEE

WORK EXPERIENCE

SOFTWARE DEVELOPER – TECHNEXT LTD – 25/05/2024 – 31/07/2026 – SYLHET, BANGLADESH

Internships

- Position: Intern Software Engineer
- Employer: Technext Limited
- Dates: 25 May 2024 – 31 July 2024
- Project - DermaQuest

Full-time role

- Position: Junior Software Engineer
- Employer: Technext Limited
- Dates: 1 August 2024 – 31 July 2026
- Projects: GreySheet, OneSuite, Bamboo Lighting

PROJECTS

Sunnah Cure – Appointment Booking Platform

Full-stack Islamic medicine platform with 3 role-based dashboards and 40+ REST APIs covering the complete appointment lifecycle. Built with Next.js and Django REST Framework on PostgreSQL. Implemented JWT authentication, FSM-based appointment states, Stripe and bKash/Nagad payments, real-time messaging via Pusher, and automated notifications. Delivered as a bilingual (English/Bengali) production-ready application deployed on Vercel and Render.
Link: sunnah-cure
Technologies: Next.js, Django REST Framework, PostgreSQL, JWT, Stripe, Pusher

MoneyPilot – Personal Finance Dashboard with AI Insights

Full-stack personal finance dashboard covering expense tracking, budgets, savings goals, w ledger. Implemented AI-powered spending insights, automatic merchant categorization, and anomaly detection. Built a client-first architecture with Zustand for optimistic UI updates synced to PostgreSQL via Prisma. Delivered multicurrency support, CSV import, PDF export, and JWT-based authentication with middleware-protected API routes.
Link: MoneyPilot
Technologies: Next.js, PostgreSQL, Prisma, TypeScript, Zustand

Pharma Nest BD – Online Pharmacy Platform

Production-ready bilingual pharmacy e-commerce platform with medicine browsing, OTC/Rx filtering, and a 7-stage order lifecycle. Implemented prescription upload with pharmacist review workflow and multi-gateway payments (bKash, Nagad, Rocket, COD). Architected a clean layered codebase (services → repositories → API → Prisma) with 40+ REST endpoints, Zod validation, and role-based customer and admin dashboards.
Link: Pharma Nest BD
Technologies: Next.js, PostgreSQL, Prisma, TypeScript, Zustand

SKILLS

Programming Language

C, C++, JavaScript, TypeScript, Python, C#, Java

Frontend Development

React.js, Next.js, Astro, Remix, Redux, Tailwind CSS, Bootstrap, HTML5, CSS3, SCSS/Sass

Backend Development

Node.js, Express.js, Django, Django REST Framework, JWT Authentication, REST API Development

Databases & ORM

PostgreSQL, MySQL, MongoDB, Prisma ORM, Django ORM

DevOps & Tools

Git, GitHub, GitLab, Docker, Vercel, Netlify, Render, Shopify, Liquid

Concepts & Practices

Data Structures, Algorithms, REST API Design, System Design, Authentication, Software Architecture

HONOURS AND AWARDS

10/11/2023

ICPC Asia Dhaka Regional Contest – Qualified – ICPC Foundation

Qualified for the ICPC Asia Dhaka Regional Contest, one of the most prestigious programming competitions globally. Represented Sylhet Engineering College, solving complex programming problems under time pressure in a team setting.

07/03/2024

National Collegiate Programming Contest (NCPC) – Qualified – Jahangirnagar University

Qualified for the National Collegiate Programming Contest (NCPC) 2023 hosted by Jahangirnagar University, a premier national-level programming competition in Bangladesh.

01/06/2022

Runners Up – SEC Idea Hackathon 2022 – Sylhet Engineering College

Secured 1st Runners Up position at the SEC Idea Hackathon 2022, competing against teams from across the college. Developed and pitched an innovative technology-based solution within a limited timeframe.

05/01/2020

2nd Runners Up – CSE DAY Programming Contest 2020 – Sylhet Engineering College

Secured 2nd Runners Up position in the CSE DAY Programming Contest 2020 at Sylhet Engineering College, demonstrating early-year proficiency in competitive programming and problem-solving.

NETWORKS AND MEMBERSHIPS

04/02/2023 – 04/02/2024 Sylhet Engineering College, Sylhet, Bangladesh

Vice President – SEC Programming Club

Led club operations, organized programming contests and training sessions, and mentored students in competitive programming.

12/06/2023 – 12/06/2024 Sylhet Engineering College, Sylhet, Bangladesh

Vice President – SEC CSE Societ

Organized academic events and technical seminars, and coordinated departmental activities between students and faculty.

03/03/2020 – 12/04/2024 Sylhet Engineering College, Sylhet, Bangladesh

Programming Workshop Instructor – ACM Lab, SEC

Taught data structures, algorithms, and competitive programming to undergraduates; trained students for national contests.

05/02/2024 Sylhet Engineering College, Sylhet, Bangladesh

Problem Setter and Judge – CSE Day 2024

Designed algorithmic problems, prepared test cases, and judged the CSE Day 2024 programming contest.

LANGUAGE SKILLS

Mother tongue(s): **BENGALI**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C1	B2	B2	B2	B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user
